Please *briefly* describe your post-graduation academic or professional plans as you currently envision them (i.e., attend graduate school in a specific topic; pursue a particular job, etc.)

Please provide an overview of what you intend to accomplish in RSSI. If you have already selected a research topic, discuss background and motivation for the research. If you do not yet have a specific topic, please include your plans for developing one between now and the start of RSSI. If you intend to continue existing research, please include your progress and findings to this point.
