

BARNEY E. SMART
17th ANNUAL SUMMER
HIGH SCHOOL

BAND CAMP
and
DIRECTORS
CLINIC

July 8-14, 2007

Alfred L. Davis Jr.
Camp Director

I would like to take this opportunity to invite you to our 17th Annual Summer High School Band Camp and Director's Clinic. We feel that we have a

camp that is second to none, and we are sure that the experiences taken from this camp will aid you or your child's musical, intellectual, social, and most importantly their educational enrichment.

Barney E. Smart
Camp Founder

On July 2, 2004, Hampton University and the HBCU band world as a whole lost one of its greatest stars, Mr. Barney Edward Smart. He joined the Hampton University Community as Director of University Bands in the fall of 1990. While at Hampton, he founded the Symphonic Wind Ensemble in 1991 and started the HU Summer High School Band Camp and Director's Clinic, which has grown from 35 participants in 1991 to over 250 participants at the 2004 camp. He was the Comsummate Band Director and Music Educator and he is missed by all who knew him and by all who saw and heard his work in the marching and concert band realms. This band camp is now named in his honor as a lasting tribute to the work and legacy of Mr. Smart.

MUSICAL ENSEMBLES

Our camp offers three major ensembles in which you may participate. Details of each ensemble are listed below:

MARCHING BAND

The Marching Band portion of the camp is designed to provide instruction in show-style marching band performance. The music selected for this ensemble includes but is not limited to popular music from the top of today's charts. As a culminating activity, the Marching Band is featured during halftime at the Virginia All-Star High School Football Game.

HUBC 2006 Concert Band

CONCERT/SYMPHONIC BAND

The camp offers two concert ensembles in which you may participate.

The Concert Band, the largest of the two ensembles, studies and performs selected band literature from state festival lists.

The Symphonic Band is designed to provide opportunities for selected instrumentalists to perform traditional and avant-garde band literature. Musicians are selected through an audition process.

JAZZ BAND

The Jazz Band consists of student musicians dedicated to performing in the popular jazz idioms. There are opportunities for solo playing, improvisation, and small combo-style instruction.

Roxanne Stevenson Performs with Jazz Band

APPLIED INSTRUCTION

As a supplement to the instruction given during the camp, private applied instruction is also offered on all instruments for an additional cost. These applied lessons will provide exposure to new literature and improve technical mastery on their particular instrument. Students taking applied study during the camp are encouraged to perform in a music recital toward the end of the week.

AUXILIARY INSTRUCTION

In association with the Marching Band, students in auxiliary units are given instruction with a qualified instructor or group of instructors for their particular unit. Instruction is offered for the following groups:

- ✓ Majorettes
- ✓ Flag Corps
- ✓ Dancers
- ✓ Drum Majors

DIRECTOR'S CLINIC

In conjunction with the band camp, a clinic is offered for directors. Participants in the Director's Clinic will be afforded opportunities to interact with the Camp Director and special guest clinicians. Topics of discussion include rehearsal techniques, composition, arranging and orchestration, show design, band program administration, and instrumental methods and techniques. Participants also instruct, council, and perform in the various ensembles of the camp. College credit for the Director's Clinic is offered through the Hampton University College of Continuing Education.
