Dr. William R. Harvey is President of Hampton University. He has served with distinction for thirty-five years. His visionary and innovative leadership is reflected in the growth and quality of the University’s student population, academic programs, physical facilities and financial base. Dr. Harvey has made countless contributions to the University, the state of Virginia and the nation.

The Hampton University Executive Leadership Summit is an outgrowth of Dr. Harvey’s desire to pass the executive leadership torch to those who lead and serve in executive positions at institutions of higher learning. The Summit is one of the stellar programs offered through the William R. Harvey Leadership Institute. It is based on ten fundamental leadership principles which he incorporated into the Harvey Leadership Model. Dr. Harvey has been highly successful in preparing many individuals to serve as college and university presidents and in other executive positions.

The Summit offers participants a broad perspective on the leadership challenges and rewards faced by those in executive positions at diverse, small and mid-sized comprehensive colleges and universities. It also helps attendees to create strategies to refocus their careers and to sharpen their professional skills. Summit participants receive professional development training from a cadre of experienced and respected executive leaders. Participants learn first-hand about what it takes to lead through engaging lectures, thought-provoking interactive sessions and one-on-one dialogue.

The Twelfth Hampton University Executive Leadership Summit, On The Road To The Presidency: A Model for Success, will be held on November 7-9, 2012 on the campus of historic Hampton University.

The Summit

Today, institutions of higher learning are confronted with daunting challenges to maintain high standards of excellence. If diverse, small to mid-sized comprehensive universities and colleges are to thrive in the 21st Century, it is essential to groom emerging leaders to successfully navigate in a world amid profound change and transformation.

Come to the 2012 Hampton University Executive Leadership Summit, On The Road To The Presidency: A Model for Success. Reap the benefits of Dr. Harvey’s successful leadership experience. Learn how to become a stronger, more impactful leader. Develop new strategies to fulfill your professional goals.

The Summit Goal

To pass the executive leadership torch from experienced successful executives to those who aspire to advance to top executive positions or to those who wish to enhance their leadership skills.

Summit Objectives

• To examine critical leadership issues confronted by university and college presidents and other executives;
• To share best practices that differentiate exceptional colleges, universities, agencies and businesses from others;
• To discuss a range of strategies currently practiced by successful executives;
• To create a network among those serving in top positions at diverse, small and mid-sized comprehensive universities and colleges;
• To foster relationships between executive leaders and those who aspire to assume top level positions; and
• To establish well-defined career strategies for those seeking professional and personal development.
Who Should Attend The Executive Leadership Summit?

- Top leaders at diverse, small to mid-sized comprehensive colleges and universities with a strong desire to expand their leadership potential
- Aspiring executive officers with a passion to lead a comprehensive college, university, executive agency or business
- Individuals who would profit from professional development and re-energizing career strategies

The Executive Leadership Summit is offered to:

- Presidents/Chancellors
- Provosts/Assistant Provosts
- Vice Presidents
